From personal experience:

1. The Marianist Retreat and Conference Center, north of Eureka on Highway 109, is very nice. The building and grounds might remind one of a university campus.
2. Rockhaven Center has rustic appeal and back-to-nature charm.
3. The quality of the lodgings at the Sisters of St. Joseph of Carondelet is not known, but by reputation is probably very good. What is known is that the pipe organ in their chapel is first rate.
